PRODUCT DESCRIPTION:

The Balancing and Nourishing Mask Iyaly is suitable for all hair types and is a true beauty ritual for stressed, weakened, and dehydrated hair. From the very first use, your hair will appear soft and easy to comb. By applying the mask twice a week and leaving it on for ten minutes, you allow the formula to penetrate deeply into the hair structure, revitalizing it and providing tone and strength. The slightly acidic pH formulation promotes the reconstruction of the hair structure and its fibers, making it ideal for those looking to restore the vitality of hair stressed by summer sun exposure or chemical treatments. The results are extraordinary: hair becomes shiny, strong, and healthy.

METHOD OF USE:

Apply to washed and towel-dried hair, distributing evenly over the lengths with a comb. Rinse thoroughly. Continue with styling.
