PRODUCT DESCRIPTION:

Iyaly Velvet Solid Makeup Remover with Hyaluronic Acid and Oat is an eco-friendly and gentle choice for your cleansing routine. Its plant-based formulation is enriched with biodegradable ingredients, demonstrating a commitment to environmental sustainability. This solid makeup remover is formulated with a protein complex derived from oats, combined with Hyaluronic Acid and Glycosaminoglycans. This combination offers a gentle cleansing experience while respecting your skin's natural balance. Hyaluronic Acid contributes to hydration, while the oat-derived ingredients provide a velvety touch, leaving your skin soft and silky. The practicality of the solid makeup remover makes it ideal for daily use, and its biodegradable formula emphasizes attention to both skin wellness and environmental care.

METHOD OF USE:

Wet the face, obtain a soft lather with the make-up remover, massage the face and neck with your hands in light circular movements and rinse off. Allow the make-up remover to dry after use.

WARNINGS:

External use. Keep out of reach of children under 3 years. Do not apply on injured skin. Do not ingest. Do not use in case of hypersensitivity to one or more of the ingredients. Store away from light and in a cool, dry place.
