PRODUCT DESCRIPTION:

The Renew and Regenerating Skin Booster Serum by Iyaly, with Snail Mucin, is a luxurious treatment designed to renew and regenerate your skin. Snail mucin, with its complex composition of active substances, plays several key roles in the health and beauty of your skin. It deeply nourishes and hydrates the skin, helping to reduce the appearance of wrinkles and fine lines while promoting a more even skin tone. Additionally, snail mucin actively contributes to the natural process of cellular regeneration, keeping your skin youthful and fresh. Its exfoliating and purifying action is particularly useful in treating skin spots, promoting a clearer and more uniform complexion. Finally, snail mucin offers antioxidant properties, helping to prevent premature aging.

METHOD OF USE:

Apply, after thoroughly cleansing the face, 2-3 drops to the five key points of the face, the centre of the forehead, nose, chin and each cheek, spread in light circular movements and massage until completely absorbed, avoiding contact with the eyes. Daily application, even distribution of the product and gentle massage favour the absorption of the active ingredients.

WARNINGS:

External use. Keep out of reach of children under 3 years of age. Do not apply to injured skin. Do not ingest. Do not use in case of hypersensitivity to one or more of the ingredients contained. Store away from light and in a cool, dry place.
