PRODUCT DESCRIPTION:

Iyaly Seboregulator Shampoo with Vegetable Charcoal is a gentle formula that respects the hair structure. Thanks to the Vegetal Charcoal, it offers a detoxifying, purifying and rebalancing action to the scalp. The presence of Piroctone Olamine, known for its anti-dandruff and sebum-regulating properties, helps regulate excessive sebum formation. The addition of Aloe Vera deeply nourishes the hair fibre, guaranteeing hydration, body and silkiness to the hair. From the very first use, this shampoo offers an effective solution for keeping the scalp in balance, making the hair hydrated and healthy-looking.

METHOD OF USE:

Wet hair. Apply and massage into hair and scalp. Rinse well and shampoo a second time if necessary.
