PRODUCT DESCRIPTION:

Iyaly's Vegetable Charcoal Face Scrub is an exfoliant with an immediate smoothing and mattifying effect, ideal for oily and inflamed skin with acne tendency. The Vegetable Charcoal acts as an exfoliating sponge that simultaneously cleanses and absorbs excess oils, leaving the skin mattified, smooth and purified. Almond and hazelnut shells mechanically exfoliate the skin, renewing the skin surface and also stimulating skin microcirculation by improving cell oxygenation. Its active ingredients have a sebum-regulating, astringent function and moisturise the skin. Regular use of Iyaly Vegetal Charcoal Facial Scrub helps to effectively reduce sebum production for a purified, matted and smoothed skin.
