PRODUCT DESCRIPTION:

Iyaly 105 is a masculine fragrance that embodies elegance and modernity. This exclusive fragrance celebrates masculine freedom and determination, capturing the essence of the contemporary man with a note of freshness and sensuality. It opens with a refreshing burst of lemon bark, bergamot and mint. The freshness of this motif is intensified and at the same time contrasted with the bitter notes of mugwort, which gives the composition a charismatic touch. The heart of the fragrance reveals an aromatic bouquet of lavender, complemented in an original way by green notes, juicy pineapple and geranium, creating a perfect balance of freshness and warmth. The base notes combine amber wood with cedar, tonka and sandalwood from New Caledonia that add depth and persistence, enveloping the wearer in an enveloping trail of masculinity. It is perfect for a business meeting or a special evening. Iyaly 105 is the perfect choice for the man who wants to make his mark.
