LC001

**MADE IN ITALY**

---

### PRODUCT DESCRIPTION:

Iyaly Anti-Stretch Mark Body Cream, is an elasticizing treatment with a rich and creamy texture, ideal for prolonged massages. Specially designed to prevent the formation of stretch marks and reduce existing ones, this emulsion offers an effective skin care solution. Its advanced formula provides intense hydration, deeply nourishing the skin and improving its elasticity. Regular application helps to keep the skin soft, smooth and improves its elasticity. With its pleasant texture and mild fragrance, this cream absorbs easily, leaving the skin velvety and pleasantly moisturised.

### METHOD OF USE:

Apply to dry skin, preferably twice a day, massaging over affected areas gently until completely absorbed.

### WARNINGS:

External use. Keep out of reach of children under 3 years of age. Do not apply to injured skin. Do not ingest. Do not use in case of hypersensitivity to one or more of the ingredients contained. Store away from light and in a cool, dry place.
