PRODUCT DESCRIPTION:

The Fatigue-Relief Leg Cream by Iyaly is a refreshing and de-stressing cream specifically formulated to provide relief for tired, heavy, and swollen legs. Its rich and creamy texture is perfect for extended massages. The advanced formula works to improve microcirculation and promote the drainage of excess fluids, helping to reduce the sensation of heaviness in the legs. With its fatigue-relieving action, this cream is the ideal ally for regaining lightness and vitality. Regular application not only offers immediate relief but also helps to keep the skin soft and hydrated.

METHOD OF USE:

Apply by massaging from ankle to buttock, from the bottom upwards, twice a day or as needed until completely absorbed. Vigorous massage is particularly useful in reducing swelling and tiredness of the legs while ensuring a draining action of excess fluids.

WARNINGS:

External use. Keep out of reach of children under 3 years of age. Do not apply to injured skin. Do not ingest. Do not use in case of hypersensitivity to one or more of the ingredients contained. Store away from light and in a cool, dry place.
