PRODUCT DESCRIPTION:

The Firming Body Cream for Buttocks and Breasts by Iyaly is a targeted treatment designed to combat skin laxity and promote firmer, more toned skin, particularly in the areas of the breasts and buttocks. Its advanced formula works precisely to firm and tone the skin, helping to counteract the signs of aging and improve the appearance of the treated areas. The rich and creamy texture, ideal for extended massages, provides a moment of wellness during application. The anti-laxity action of this cream makes it an ideal ally for preserving the natural beauty of the skin, promoting a more toned and compact appearance.

METHOD OF USE:

Apply daily, massaging for 5/10 minutes until completely absorbed. Application on Breasts: Apply a dollop of cream on both breasts; Massage in a circular motion; Continue massaging from the base to the neck. Application on buttocks: Apply a dollop of cream on each leg; Start massaging in a circular direction; Continue massaging from the knees up to the buttocks.
