### PRODUCT DESCRIPTION:

Iyaly Marine Collagen Face Cream is a lightweight treatment with a quickly absorbing texture that does not leave a greasy residue. It is designed to combat all visible signs of skin aging, smoothing the facial skin and reducing wrinkles. The synergy between Marine Collagen, Hyaluronic Acid, and Ceramides provides radiance and firmness while evening out the complexion of the face, neck, and décolleté. Marine Collagen helps improve skin elasticity and reduces signs of aging. Hyaluronic Acid delivers deep hydration, while Ceramides protect and strengthen the skin barrier. When used daily, it leaves the facial skin hydrated, firm, radiant, and smooth.

### METHOD OF USE:

Apply after thorough cleansing of the face with gentle movements from the centre of the face and neck to the extremities, massage in until completely absorbed, avoiding contact with the eyes. Daily application, even distribution of the product and gentle massage favour the absorption of the active ingredients.

### WARNINGS:

External use. Keep out of reach of children under 3 years of age. Do not apply to injured skin. Do not ingest. Do not use in case of hypersensitivity to one or more of the ingredients contained. Store away from light and in a cool, dry place.
