PRODUCT DESCRIPTION:

The Black Mask with Vegetable Charcoal - Anti-Blackheads Pell-Off is a peel-off mask ideal for purifying treatments. It is designed to normalise the hydrolipidic film of the skin. Suitable for oily, acne-prone, impure and combination skin. This mask is effective in eliminating blackheads, excess sebum and mattifying the skin. From the first application, this mask allows deep and gentle cleansing of the face. Used periodically and regularly, it brings significant aesthetic benefits: the skin is purified and mattified.

METHOD OF USE:

Apply an even layer of product to the completely cleansed face, avoiding the eye area and hairline. Leave on for 20-30 minutes. Gently remove the mask starting from the edges towards the centre of the face. Remove any remaining product with the help of a dampened cotton pad.

WARNINGS:

External use. Keep out of reach of children under 3 years of age. Do not apply to injured skin. Do not ingest. Do not use in case of hypersensitivity to one or more of the ingredients contained. Store away from light and in a cool, dry place.
