PRODUCT DESCRIPTION:

Iyaly Purifying Cleansing Mousse is suitable for daily use, featuring gentle plant-based surfactants that cleanse while respecting the skin's balance. It contains White Willow extract, known for its keratolytic activity, which promotes cellular renewal. Additionally, Milk Thistle offers antioxidant benefits that help restore the natural barrier function of the stratum corneum. Dandelion provides moisturizing and anti-inflammatory properties, while Helichrysum acts as an astringent and soothing agent. Sage and Salicylic Acid work together to regulate sebum production, making it ideal for oily skin by tightening enlarged pores and eliminating impurities. This cleansing mousse delivers a powerful action against acne and impurities, leaving the skin looking clean and purified.

METHOD OF USE:

Doser 2/3 pulvérisations sur la main, appliquer sur le visage humidifié en massant en mouvements circulaires et rincer.
